
System Requirements

elite Panaboard requires the following system environment.

Computer	IBM(R) PC/AT compatible with a DVD-ROM drive
CPU	Intel(R) Pentium(R) 4 processor or later
Operating System	Windows(R) XP SP3 or later / Windows Vista(R) SP2 or later / Windows(R) 7 (except for Starter and Home Basic versions) / Windows(R) 8 , Windows(R) 8.1(except for Windows(R) RT) / Windows(R) 10 (Windows XP 64-bit edition is not supported.)
Interface	USB 2.0
Memory (RAM)	1 GB or more
Hard Disk	Hard disk with at least 700 MB of free space (not including the space required for saving files) (In some cases, an additional 700 MB is necessary for installing the Microsoft(R) .NET Framework.)
Display	32-bit color or greater
Web browser	Internet Explorer(R) 6.0 or later
Media Player	Windows Media(R) Player

Note

* Microsoft .NET Framework 3.0 (SP2 or later) or 3.5 (SP1 or later) and DirectX(R) 7.0 or later are required to use the elite Panaboard software. If these components are not installed in your PC, install the elite Panaboard software from the DVD-ROM. Microsoft .NET Framework 3.5 SP1 will be installed.

* Windows Media Player 11 or later is required to use the elite Panaboard software.

- * The system requirements above do not meet the recommended specifications of all operating systems.
- * You must have Windows Media Player 11 or later, or Adobe(R) Flash(R) Player 10 or later installed in order to insert and play back movies.
- * The handwriting and shape recognition features are supported in Windows 10, Windows 8 / Windows 8.1 (except for Windows RT), Windows Vista Ultimate, Windows Vista Home Premium, Windows Vista Business, Windows 7 Ultimate, Windows 7 Professional, Windows 7 Home Premium and Windows XP Tablet PC Edition 2005.
- * For users of Windows XP Professional: To use the handwriting and shape recognition features, you must install the Tablet PC SDK and Microsoft Windows XP Tablet PC Edition 2005 Recognizer Pack.
- * The handwriting and shape recognition features are not supported in Windows Vista Home Basic, or Windows XP Home Edition.
- * You must have enough available hard disk space in order to record and play back movies.
- * The ability to import drawing data into other applications, and the ability to save a slide's drawing data to a PowerPoint(R) file are available in Office XP, Office 2003, Office 2007, and Office 2010(64-bit edition is not supported).
- * Even when the system requirements are met, the elite Panaboard response may be delayed or the electronic pen may malfunction if other applications, anti-virus software, etc. are active.
- * If "elite Panaboard software" is not installed, the elite Panaboard software functions cannot be used.
If "elite Panaboard book" is not installed, the elite Panaboard book functions cannot be used.
