(c) Panasonic System Networks Co., Ltd. 2001-2010.

Interactive Panaboard Software

Ver.	Changing issue(s) / Fixing problem(s)	Note
1.00	1. First Release English only.	
1.01	1. Corresponded to 3 languages The language is decided by the setting of the Windows automatically. English, German and Japanese.	
1.10	1. Added continuous playback of all pages Pages from 1 through last can be played continuously. 2. Added Highlight marker The lower image is visible when the Highlight marker is used. 3. Updated Marker/Eraser setting dialog Added Scroll Bar to set a marker width easily. Added Check Box to set the Same width for black, red, blue and green markers at once. 4. Added shortcut icons for Print Preview, Undo and Redo menus to the Main Toolbar. 5. (Fix) In the Whiteboard mode, when the eraser color is set to some color other than white, the eraser does not erase drawings but draws the color.	
2.00	1. Added On-Screen Keyboard function 2. (Fix) In projector mode, some unexpected drawings appear near the buttons that have been clicked before when using a marker on Desktop Drawing tool.	
3.00	1. Added Handwriting Recognition function 2. Added PowerPoint Control function 3. Corresponded to multi-page TIFF	
3.01	1. Corresponded to Chinese language. *This correspondence does not affect the use in the other languages' Windows OS. 2. (Fix) 1) In case of Windows Server 2003, "Windows Keyboard" can not be selected in the Options dialog box. 2) Minus value can be input in the "automatic save interval" box in the File Settings dialog.	
3.02	1. Added the function that displays the version of program files (EXE/DLL) on [About] menu 2. Added the uninstallation shortcut to the [Interactive Panaboard] menu 3. (Fix) When Interactive Panaboard Software (Ver3.01) is installed without Uninstall	
4.00	1. Supported USB I/F (USB IF for UB-8325, RS-232-C I/F for KX-BP800). 2. If Interactive Panaboard and a projector are fixed not to move, Calibration operation can be skipped when starting Interactive Panaboard Software. 3. When a marker is selected in Desktop Drawing Tool, the Tool can be disappeared temporarily. 4. (UB-8325 only) In Whiteboard mode, a new page can be added or the current page can be switched in last 2 pages by pressing Advance Key. 5. (UB-8325 only) Desktop image (projected image) can be printed by pressing the Copy Key on Interactive Panaboard.	This version can work both with UB-8325 and KX-BP800.
