About Call share

Call share

Joining a call
You can join an existing outside call. Availability
depends on your phone system. Contact your
administrator for further information.

Important:
●   The line must be set to allow other units to join
   through the Web user interface ("Privacy
   Mode"). ⊥ is displayed on the unit currently in
   use when it is allowed to join the call. Contact
   your administrator for further information.
  1 Press【LINE】when the other unit is on an
    outside call.
  2 【▼】/【▲】: Select the desired line to join. →
    【SELECT】
