No. 41-007

August 21 , 2012

Ver.1.0

Panasonic Corporation

Abstract about this document

This document describe about how to register PS.

Revision history

Date	Version	Revision	Firmware version
Aug 21, 2012	Ver. 1.0	Initial Release	All versions

<Step1> How to confirm IP Address of Super Master CS

Master CS IP address

- 1. Turn on the PS.
- 2. Press [Menu] or the [CENTER] navigation key.
- 3. Select "Setting Handset" and then press [OK].
- 4. Press [NEXT].
- 5. Select "Other Option" and then press [OK].
- 6. Select "MasterCSAddress" and the press [OK].
 - Display the Master CS IP address.

<Step2> How to Open the CS Web port

- 1. Turn on the PS.
- 2. Press [Menu] or the [CENTER] navigation key.
- 3. Select "Setting Handset" and then press [OK].
- 4. Press [NEXT].
- 5. Select "System Option" and then press [OK].
 - You may need to enter a system password to access this menu.
- 6. Press [NEXT] to display the second screen, select "Enable CS Web", and then press [OK].
- 7. When the operation is complete, "CS Web Enabled" is displayed.

<Step3> Configuration file example for IPEI registration

This step does not need if Web UI registration.

You can recognize IPEI code from label on package.

Denoconio

- 1. Click [Start PS Registration].
- 2. Select the PSs in "Available PS", and then click [>].

Or click [>>] to select all available PSs. (To deselect PS(s), click [<] or [<<].)

- 3. Click [Next].
- 4. Click [OK] to confirm registration.

For unregistered PSs

- 1. Display the standby screen above.
- 2. Hold down [OK] until "Please wait..." is displayed.
- 3. When registration has completed, "Registered" will be displayed.

<u>Note</u>

 You can register multiple PSs continuously. However, PS Registration mode will terminate if no registrations are detected within 2 minutes. (IPEI registration is not adapted)

All CSs controlled by the Super Master CS will enter PS Registration mode at the same time as the Super Master CS. You can register an PS to any of the CSs.

- Perform the registration procedure on each PS individually. Performing the registration procedure on multiple PSs at the same time may result in an error. In this case, perform the registration procedure again.
- After registering PSs, the Web port will be closed. See Step2 to open the Web port again.
